

St Bartholomew's CE Primary School

Sports Premium Funding

The government is providing additional funding of £150 million per annum for academic years 2013 to 2020 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school headteachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Eligible schools

Funding for schools will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census in January 2013.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- 1.hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- 2.supporting and engaging the least active children through new or additional Change4Life clubs
- 3.paying for professional development opportunities for teachers in PE and sport
- 4.providing cover to release primary teachers for professional development in PE and sport
- 5.running sport competitions, or increasing pupils' participation in the School Games
- 6.buying quality assured professional development modules or materials for PE and sport
- 7.providing places for pupils on after school sports clubs and holiday clubs
- 8.pooling the additional funding with that of other local schools.

Accountability

From September 2013, schools will be held to account over how they spend their additional, ring-fenced funding. Ofsted will strengthen the coverage of PE and sport within the 'Inspectors' handbook' and supporting guidance so that both schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision.

Ofsted will carry out a surveys reporting on the expenditure of additional funding and its impact and schools are required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

St Bartholomew's - Sports Premium Spending 2015-2016

Spend	Value	Aims
Staff Professional Development (teaching and support staff) in a range of primary sports disciplines	£4260	<p>Children are enabled to take part in high quality PE lessons.</p> <p>Increased staff confidence to deliver high quality PE.</p> <p>Increased numbers of staff can lead extra curricular sports clubs allowing increased take up in PE by children.</p> <p>Children develop increased skill and agility in sports taught and are keen to take part in intra school competitions.</p>
