Wednesday 24th June 6pm Musical Extravaganza

Monday 15th June 2015

Dear Parents and Carers,

As detailed in recent Newsletters we would like the children to have the opportunity to showcase their musical talents. To this end we would like to present a music concert in school on Wednesday 24th June at 6pm.

It is hoped that all the pupils from Willow Class and Oak Class will perform together to demonstrate the musical skills they have acquired over the year during school music lessons. Willow have been learning to play the ukulele and Oak class have learnt to play a range of woodwind instruments including saxophone, clarinet and tin whistle. The choir will also be delighting us with a wonderful performance that showcases their talents too.

In addition to these whole class performances we would like to encourage all those children who have musical instrument tuition, either in school or privately outside of school, to take part in this concert. Furthermore we welcome our talented singers to take part too.

If your child would like to take part in the concert, please complete and return the attached reply slip ASAP, but before Friday 19th June.

I know that last year's concert was exceptional so anticipate that it will again be a wonderful evening for us all to enjoy and I am very much looking forward to sharing in the children's musical achievements.
