Enterprise Club Fund Raiser

HANGING BASKETS
£5.00 each

It's great to be back after the Easter Holidays and the Enterprise club will soon be busy in the garden putting together plants for hanging baskets which we are getting ready to sell. Funds raised will be used to contribute towards Willow Class 'End of Year' activities. This small group are working hard, learning about the behind the scenes workings of business, building on their previous success at the Christmas Fair and the Square game in February.

The hanging baskets are 25cm in diameter and will hold Petunia, Lobelia and Ivy, hopefully guaranteeing a beautiful summer display of purples, whites and blues.

If you be interested in buying any of our hanging baskets, please complete and return the slip below by **Friday 22nd April**, accompanied by a deposit of £2:50 per basket, this will help us know how many we need to be prepared.

The baskets should be ready shortly after the early May bank holiday, when the remaining balance payment will be due; you will be notified by letter when they are ready to be collected.

ENTERPRISE CLUB PLANT SALE **25th APRIL 2016**

In addition to the hanging baskets we have a **limited** number of flower baskets, courgette plants and a small collection of mixed flowering plants which will be ready for sale at our '**After School Plant Sale**' on Tuesday 25th April.

We look forward to receiving your support.

Regards

The Enterprise Club
