## Scarlet Fever

Dear parents and carers,

This year's attendance in school is exceptional; we have seen an incredible improvement on last year with children remaining fit and well over the winter months. Unfortunately our run of good luck has expired. I must advise that we suspect an incident of scarlet fever in school and therefore I must advise that you to remain vigilant of the symptoms and if noted ask that you seek medical advice so antibiotics can be prescribed.

I have attached a fact sheet for your information and thank you for your support with this matter.

Yours sincerely,

Mrs Michelle Parker  
Headteacher
