

St Bartholomew's CE Primary School

Wednesday, 22 June 2016

Dear Parents / Carers,

We all hope that you enjoyed the sports day yesterday; we were certainly blessed with the fine weather.

Please could I remind you that any photos taken at school events are for your personal use only and should not be posted in the public domain; sites such as Facebook and twitter. We do have children in the school who do not have permission for photos to be used publicly. If anybody has posted to a public forum, I respectfully ask that only their child can be identified and that any other children are wiped out of the photos, in addition please refrain from tagging other parents and children.

Thank you for your cooperation with this.

Yours faithfully,

James Shawley
Head Teacher
