

St Bartholomew's CE Primary School

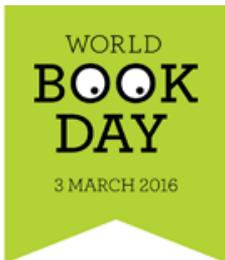

News in School – Tuesday 1st March 2016

Today is the first day of 'meteorological' spring; unfortunately it would seem that the temperatures forecast for this week do not appear to reflect this, in fact it appears that winter weather will be making a very unwelcome return. Please remember to ensure that children come to school with an outdoor coat to ensure they are suitably wrapped up for the cold weather.

Mother's Day Events

This Friday we will be joining the ladies of the parish of St Bartholomew's to celebrate Mother's day through participation in 'Women's World Day of Prayer'. The service commences at 2pm and we would like to invite mothers, sisters, aunts, grandmothers and any female family friends to join us in this very special event of celebration.

In addition to this St Bartholomew's parish church are holding a Mothering Sunday Service at 10.30am on Sunday 6th March. This is a family friendly service for all age groups. Refreshments will be available to enjoy after the service.

World Book Day – Thursday 3rd March 2016

There really is only time for very last minute sponsors to be found for our world book day sponsored 'Cosy Story Session' taking place this Thursday. Please remember to send your child into school with their pyjamas, a cosy item (such as a blanket) and their favourite book.

Monday 7th March – Class Photographs- CANCELLED

Unfortunately the school photographer has contacted us as they are now unable to attend on Monday as previously arranged. We have rebooked for her to visit us on the morning of Wednesday 20th April – which allows the children a little longer to practise their smiles.

Parent's Evenings – Tuesday and Wednesday 8th and 9th March

I hope that all parents have been able to arrange an appointment to speak with their child's teacher on parent's evening. If you are unable to attend your appointment for any reason, please let us know. Parent's evening is arranged with 10 minutes per appointment in order that the class teacher can update you of your child's progress. Teachers will endeavour to keep to the timetables and we would kindly request that parents assist us in this regard. If you are unable to complete your discussions with the class teacher within the time allotted, please arrange to make an alternative appointment with them so that they can afford you the additional time that you need, without causing inconvenience to other parents.

Used Uniform on Offer at Parent's Evening

Please be aware that the used uniform stall will be open at both parent's evenings. This is a fantastic way to get hold of good quality used uniform, and is ECO friendly too as it supports the school's 'reuse' approach to resources.

ECO Bag to School Collection

A date for your diaries – the next Bag to school collection will take place on 22nd April 2016. A great opportunity to recycle unwanted or grown out of clothes, whilst raising funds for the school.

Active School Vouchers

We would be grateful to receive any Active School Vouchers you collect. Please send them into class or post into the collection box at the main office. Many thanks.

Please remember, if you have any queries about anything within this letter or you need assistance in regard to any other school matter, please do not hesitate to contact us. *Please remember if you like what we do, please tell others, if you do not – please tell us.* We are eager to support you in the education of your child, if you have any concerns or queries please contact your child's teacher in the first instance.

Yours sincerely,

Michelle Parker
Head Teacher
