

St Bartholomew's CE Primary School Dinosaur Adventure Trip

Dear Parents/Carers,

18th May 2017

Apple and Palm Class are getting very excited as our trip to the Dinosaur Park is fast approaching! Just a few reminders to ensure the day goes as smoothly as possible!

The coach will leave school at approximately 9am so children need to be in school at the normal time but please ensure your child is not late to school, to ensure we do not miss the coach.

All children will require a packed lunch in disposable packaging and in a named carrier bag. We will not be taking rucksacks on the trip.

Children need to come to school in their school uniform so they can easily be identified by school staff. (The children may wear their own trousers and sensible footwear but they **MUST** be in a school top and red jumper.) Please send extra items of clothing (such as coats), weather dependent on the day.

If your child requires travel tablets please ensure these have been administered before school and if further tablets are required, please hand the medication to class teachers in the morning. Please label clearly with your child's name.

We will return to school at approximately 5pm. If your child is transported to school via taxi, you will need to make alternative provisions for collecting your child at the end of the day. We will keep you informed of our arrival time back to school on the day, via text message.

If you have any questions, please ask.

Thank you,

Miss Cannon and Miss Cox
