Enterprise Club Fund Raiser

HANGING BASKETS £6.00 each,
BASKET REFILLS £4:00 each.

Once again the Enterprise club have been busy in their garden area planting beans, peas, potatoes and onions ready for an autumn harvest. We have also been busy planting up hanging baskets ready for selling to raise funds. Last year funds raise were split three ways: a third for school to buy sports equipment for everyone to use, a third as a contribution towards 'End of Year' activities and a third was kept back to reinvest in any enterprise activities.

In addition to hanging baskets, we are offering a basket refilling service. Each basket will be filled with Petunia, Surfinia, Bacopa, Felicia and variegated Nepata, similar to the pictures above. Compost used is 'Miracle Gro' Moisture control Compost, which will hopefully guarantee a beautiful summer display of purples, pinks, whites, greens and blues. You will still need to water the plants to ensure a wonderful display of colour, but this Miracle formula stores and releases water when plants need it, as well as plant food- feeding plants for up to 6 months.

If you are interested in our refilling service, we have a limited supply of plants to refresh you hanging baskets. Please note larger than 25cm diameter baskets will be charged more for a refill, please see Mrs. Thorley for details.

If you wish to order a hanging basket and/or have your own basket refilled, please complete the attached slip, returning it to the office with full payment, NO LATER THAN FRIDAY 19th MAY 2017. Please also bring in your hanging basket, labelled with your name and your child's class name, should you wish to take advantage of the refilling service. WE HAVE A LIMITED STOCK OF PLANTS AND BASKETS. ORDERS WILL BE TAKEN ON A FIRST COME FIRST SERVED BASIS.

The baskets should be ready for pick up on Friday 26th May 2017

Regards

The Enterprise Club
