

The Governing Body of St Bartholomew's CE Primary School would like to say

THANK YOU

to the current and past volunteers in the

PTFA

Your commitment and contribution really makes a difference to all the children at St Bartholomew's CE Primary School.

Your amazing fundraising efforts have paid for the running costs of the swimming pool every year, the redevelopment of the pond, new laptops for the children, and much more over the years.

Thank you so much!

St Bartholomew's CE Primary School
