

# St Bartholomew's CE Primary School

15<sup>th</sup> January 2018

Dear Parent/Carers

## Seasonal Flu

Both local and national media have been regularly covering the challenges currently faced by the health service in managing the demand presented this winter, particularly within our hospitals. Public health surveillance information reports that the number of cases of diagnosed flu is rising across the East Midlands and our GP practices report a very high proportion of their urgent care work is coughs, flu symptoms and chest infections.

Please find attached advice from the NHS on Seasonal Flu to help try and reduce the spread across our community.

Yours faithfully

Mr Shawley  
Head Teacher
