

St Bartholomew's CE Primary School

May 2018

Dear All

I am starting to build a bottle greenhouse for the schools Allotment Garden, for all children to use this. The Gardening club will be involved in building the greenhouse and as the posts are cemented in place we are now ready to build the sides with your help.

We are asking for your used and washed out 500ml fizzy drink bottles or water bottles or the 1 litre Robinson juice bottles.

Unfortunately we cannot use oddly shaped bottles.

Please bring your clean bottles to school, a collection bag will be placed near the main entrance of the playground.

In total we need approximately 2000 bottles of which we have already 300.

Thank you in anticipation of your recycling

Helen Thorley (Mrs) - Gardening Club
