Health Care Plans

Dear Parents/Carers,

In order that we in school can provide the necessary care required to those children who have on-going health care needs, we require parents to complete a 'Health Care Plan'. This document is used to detail the on-going health issues and, if applicable, the medication that each child requires.

We have reviewed our current records and have distributed copies of the Health Care Plan to the parents/carers of those children who we know have health care needs. If you have not yet received a copy, but feel that your child has on-going healthcare/medication needs, which we should be aware of, please contact the office at your earliest convenience to obtain a Health Care Plan.

If you require any further information please do not hesitate to contact me.

Yours sincerely,

Mr J Shawley
Headteacher
