

St Bartholomew's CE Primary School

Monday 24th September 2018

News in School

Welcome

Our new reception children were formally welcomed into our church school family on Tuesday 18th September, when we held our 'welcome' church service. It was a fantastic addition to our calendar of Christian church events and Willow class did a wonderful job as guiding partners for our new starters. Thank you to all the parents who joined us, we hope that you enjoyed it.

Harvest Festival

We will be celebrating our Harvest Festival on Friday 5th October at 1.30 pm at St Bartholomew's Church. This is always a lovely event where each class gives thanks for the food we are lucky to have. Please can the children bring any donations for the festival into school on Friday 5th October. Any Harvest Festival donations will be given to Agape food bank to help those less fortunate than ourselves. We hope that it will make a positive contribution. Please be aware that due to this service family collective worship will not take place.

Parents Evening Wednesday 3rd and Thursday 4th October

Booking forms for parent's evening are now available in the main entrance. Please remember to reserve an appointment on the booking form or telephone the office to make an appointment.

Representatives from the Governing body will be available, in order that you can speak to them about any aspect of the school's operations.

As always, if I can be of any assistance to you please do not hesitate to contact me.

Regards

James Shawley
Headteacher
