

St Bartholomew's CE Primary School

Tuesday, 06 November 2018

Dear Parents / Carers,

On Thursday 8th November, to mark the 100- year anniversary of the end of World War One, we will be having a whole school photo taken in the playground by a company called Lincolnshire Drones, a professional drone photography company from West Pinchbeck. They are fully insured and experienced. The footage will take about 15 to 20 seconds in total and the drone will be 300 to 400 feet in the air so the children will not be recognisable from that distance. **If you do not wish your child to be in this photograph, please contact the school office.**

As a school we feel it is important as a community to mark the centenary with a significant gesture and show respect and gratitude to those that fought in the Great War. Like so many other villages, West Pinchbeck lost young men to the war and the children want to show remembrance for the sacrifices made by the community 100 years ago.

Yours sincerely,

James Shawley

Head Teacher
