

# St Bartholomew's CE Primary School

6<sup>th</sup> November 2018

Dear Parents/Carers

On Monday 12<sup>th</sup> November we will be holding an Environmental Day at school.

As part of the school's eco focus, we will be learning about how to care for our environment. The children will be spending the day learning about why we need to look after our environment whilst experiencing lots of fun activities. During the day we will be, amongst other things, making scarecrows, painting pebbles, creating nature art and making bug hotels. The children will also be sweeping and weeding the school grounds.

The children will require non uniform, warm clothes, a waterproof coat and wellies, they will also require gardening or woolly gloves.

It is going to be a fun filled day and let's hope the rain stays away.

Yours sincerely

Mrs S Szydowski  
Teaching Assistant
