

St Bartholomew's CE Primary School

Big Battery Hunt!

11th March 2019

Dear Parents and Carers,

We have decided to launch a very exciting campaign called the Big Battery Hunt. In school, your child will learn how important it is to recycle batteries and what happens when people don't.

With your help, we are challenging the children at St Bart's to collect as many batteries as possible. They can be as creative as they like by going to work spaces, places of worship, local businesses and the wider community to enlist everyone to help make sure that no battery ends up in landfill.

Your child has been supplied with a small cardboard box (please let me know if you do not receive one with this letter). Please collect your batteries in the box. When it is full, send it into school so we can empty the box and add it to the main school container. When your child's collection box has been emptied into the container, we will return it back to you so you can continue collecting. (Alternatively, feel free to pop into the main entrance at your own convenience and empty your batteries into the container.)

The batteries that we are collecting are:

AAA
AA
C
D

(Please only send in these battery types)

Battery Recycling Pioneers!

Battery recycling pioneers are pupils that really get behind the challenge and encourage others to do the same. If we have a pupil who has gone the extra mile with their battery collecting, we can submit their story. These Pioneers could win all sorts of prizes such as iPads! So please let me know if your child does something amazing to help increase our battery count and I will submit them to be a battery pioneer.

Please visit ...

<https://nationalschoolpartnership.com/initiatives/bigbatteryhunt/>

for more information about the campaign plus a break-down of all the prizes that the school and your child could win. See the base of your collection box for safety instructions (plus the other side of this letter).

The competition ends on **Monday 3rd June**, so let's get collecting and please make sure your child brings in their batteries before the deadline.

Happy hunting and please ask if you have any questions!

Miss Cannon
