

St Bartholomew's CE Primary School

Pro Kick Schools Challenge

13th February 2019

Dear parents and carers,

I am writing to inform you of a very exciting event that is being held at St Bartholomew's Primary School on Tuesday 26th February 2019.

We will be taking part in the 'Pro Kick Schools Challenge'! The children were visited by a member of the Pro Kick team today and found out lots of information about the challenge. The event is hosted by one of their former professional football players, which the children are very excited about! This is a fun event, which benefits both the school and a charity called Sports Connections Foundation. The charity provide experiences for unwell children, as well as disadvantaged children. This is a charity close to our hearts, as they have previously supported one of our pupils. The children will have the opportunity to raise sponsorship money for this event (sponsor form attached), in order to help the charity. The school will also receive a percentage of the money raised, which will be used to enhance the learning experiences of the pupils in our school.

This event will involve Pro Kick bringing the largest inflatable goal and a speed radar, into school. The goal will measure how fast the children can kick the ball. Every child will take part and they will have 1 shot each. All children will receive a certificate for taking part and there will be prizes and medals for children who can kick the ball the fastest! Every child who returns their sponsor form will receive a free wristband (regardless of how much they raise) plus an extra shot into the goal. There will be medals for the fastest boy and girl from each class! Plus, children who raise over £20 will receive a free SCF football each.

The children and staff are very excited about this challenge. Please keep an eye on the website for photographs of the event!

Many thanks,

Miss Cannon
