

Pupil Premium Report 2015-16

The Government believes that Pupil Premium, which is additional to main school funding, is the best way to address current underlying inequalities between children eligible for free school meals (FSM) and those that are not.

Pupils qualifying for Pupil Premium are defined as:

- Those registered for free school meals (or have been at any time in the last 6 years, known as Ever 6)
- Those who are classed as Looked after Children (LAC)
- Those who *were* LAC but are not now (Post Looked After Children)
- Those who are from Service Families

Schools are accountable for how they have used the additional funding and must publish information relating to Pupil Premium on-line to ensure all stakeholders are fully aware of the impact of the premium. Government performance tables also capture the achievement of those covered by the Pupil Premium.

Overview of the School

Number of Pupils and Pupil Premium Received	
Total Number of pupils 92	
Total number of pupils eligible for PP	19 FSM (20%) 3 LAC or Post LAC 3 Service Children
Total	£29322

This was spent on:

Expenditure	Cost	Purpose
Learning Support Staff Salaries	£22,100	Provide 1:1 or small group interventions to increase the % of children achieving age related expectations and making good progress.
Milk	£780	To provide free milk for children in Key Stage Two for those who want it as a source of nutrition.
Extra-curricular clubs, music lessons, transport.	£5276	To enable children to attend after school activities to enrich their enjoyment of school, ensuring attendance is maintained in-line with national levels. To enable children to attend school trips and residential visits

Impact	EYFS – all pupil premium children made good progress from their starting points in all areas with 100% of pupils achieving a good level of development against the early learning goals.
	Year 1 – 80% (4/5 pupil premium children) passed the Y1 phonics test and are at age-related expectations (whole school was 75% 9/12 children).
	Key Stage 1 Outcomes – Reading: 67% (4/6) children achieved the age-related expectations, with one child working at greater depth broadly in-line with the rest of the cohort. Writing: 67% (4/6) children achieved the age-related expectations, with one child working at greater depth broadly in-line with the rest of the cohort. Maths: Writing: 67% (4/6) children achieved the age-related expectations, with one child working at greater depth broadly in-line with the rest of the cohort.
	Key Stage 2 children – 100% (1 child) met age-related expectations in all areas.
	Pupil premium children who want to play a musical instrument are able to engage and enjoy this.
	All PP children are able to access extra-curricular activities.
